

SCHRADER TPMS E-TRAINING COURSE USER MANUAL

- Schrader Academy **TPMS e-Training Course** is free of charge.
- For enrolment, registration is required at www.TPMSAcademy.com.
- TPMS e-Training course consists of 5 modules:
 - Module 1: Introduction
 - Module 2: Legislation (FMVSS138)
 - Module 3: TPMS overview
 - Module 4: Replacing a sensor
 - Module 5: Schrader's TPMS solutions
- Each module takes approximately 15 minutes to complete. After successful completion of the training, participants will receive a digital certificate.

- All five modules must be completed with an 80% score or higher to obtain a certificate.

- For further information please contact our training experts at
- **Schrader-AcademyNA@Sensata.com**.

Step 4
Certificate

Step 3: TPMSe-Training Course

To access training press **MY TRAINING**.

Press the **START MODULE** button to start the training. Although we suggest you complete each module chronologically, you have the ability to take them in any order.

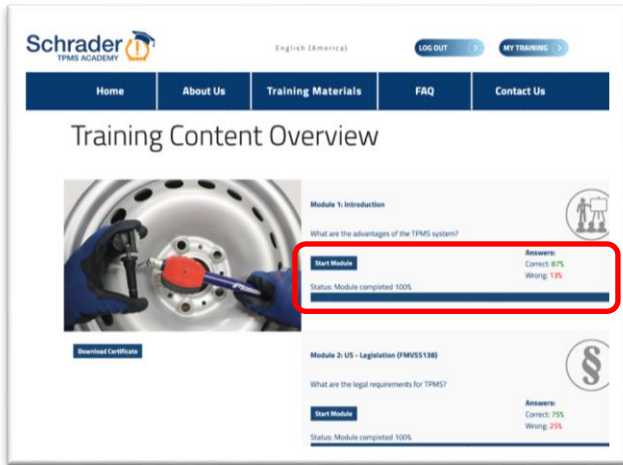

Once you have chosen the module, please read the text carefully, mark the answer and click on the **CHECK** button. The result will be displayed immediately in green (correct answer) or red (wrong answer). If the answer is correct, you can go to the next question by pressing on the arrow. Please note, if the answer is not correct you will not be able to move to the next question.

Step 1
Registration

Step 2
Login

Step 3
Training

Step 4
Certificate

After answering all of the questions in the module press the **BACK** button to return to the overview page. Your results will be displayed under each module.

You can pause or interrupt training at any time using the **BACK** button in the top right corner of the page.

When you pause without answering all questions in the module, your result will not be saved. Therefore, it is recommended to complete the module before taking a break.
